2.3 Scope of delivery

Adapter cable, user manual

3 Intended Use

 We do not permit using the device in other ways like described in chapter Description and Function. Use the product only in dry interior rooms. Not attending to these regulations and safety instructions might cause fatal accidents, injuries, and damages to persons and property.

4 Connecting and Laying

Risk of injury by stumbling

- Place, install and transport product, product parts and accessories in a safe way. 

1. Connect your HDMI™, VGA or DisplayPort output device to your USB-C™ device.
2. If necessary, match the resolution of the source device and the output device.

*When using models 77528 and 79295 with USB-C™ Generation 2 devices, a maximum video resolution of 4K * 2K @ 60 Hz, with Generation 1 devices maximum 4K * 2K @ 30 Hz is possible.*

5 Maintenance, Care, Storage and Transport

The products are maintenance-free.

NOTICE

Material damage

- Clean only with a dry, soft cloth.
- Do not use cleaning agents and chemicals.
- Store cool and dry.
- Keep and use the original packaging for transport.

6 Liability notice

 We reserve the right to printing errors and changes to product, packaging or product documentation.

- See our terms of warranty. These are available in their current form under the given contact details.

7 Disposal Notes

According to the European WEEE directive, electrical and electronic equipment must not be disposed with consumers waste. Its components must be recycled or disposed apart from each other. Otherwise contaminative and hazardous substances can pollute our environment.

As a consumer, you are committed by law to dispose electrical and electronic devices to the producer, the dealer, or public collecting points at the end of the devices lifetime for free. Particulars are regulated in national right. The symbol on the product, in the user's manual, or at the packaging alludes to these terms. With this kind of waste separation, application, and waste disposal of used devices you achieve an important share to environmental protection.

WEEE No: 82898622

8 EU Declaration of Conformity

With the CE sign Goobay®, a registered trademark of the Wentronic GmbH ensures, that the product is conformed to the basic standards and directives.
